Highlights of the Week

EYFS have enjoyed learning all about the Nativity story and are getting excited for their show next week!

Year 1 have loved embellishing and decorating puppets in DT.

Year 2 became night explorers and learnt about the planets and star constellations.

Year 3 were excited to welcome a visiting geologist this week. The children loved exploring real rock samples and learning fascinating facts about how different rocks are formed.

Year 4 have continued writing biographies on influential leaders from the Roman era!

Year 5 have been enjoying the final few chapters of their book "Curse of the Maya".

Year 6 have impressed us once again with their brilliant attitude during their mock SATs week. They have also been working on designing waistcoats for teddies, working on their stitching skills.

Picture News Christmas Campaign

Message from Picture News:

Hello

Now it's December, I'm very excited to launch our Christmas Campaign for 2025 – Christmas Stars! 🌟 This year we're inviting everyone to help light up the world by sharing a star containing a wish or act of kindness, to help make the world a better place! The aim is that together we can fill the night's sky with hope and love.

Please find all the details in the attached document.

We can't wait to read all your stars – feel free to email any photos back to me or share on social media. ★

Any questions, just let me know.

Polite Request

We would like to politely request that if you bring your dog with you to collect your child from school, please could you stand clear of the school gates as some of our children have a fear of dogs and it make leaving school a stressful time for them.

Many thanks

Stop & SHINE Reports

Due to us only recently holding our WOW afternoon we will not be sending out Stop & SHINE reports on 16th December as previously stated in the newsletter.

If you have any concerns regarding your child before further reports are sent out, please contact your child's teacher via class Dojo.

Thank you.
