Fairfield Newsletter

Highlights of the Week

EYFS have been learning about the Christmas story in drawing club lessons and the children's vocabulary has been amazing!

Year 1 have been practising using imperative verbs to help with their instructional sentences.

Year 2 have been learning how to measure in maths and doing lots of practical work using rulers and tape measures.

Year 3 made seasonal tarts with the Tesco Community team and are looking forward to tasting and evaluating them.

Year 4 have really enjoyed making sling shot cars in Design & Technology

Year 5 finished their Curse of the Maya book, what a fantastic end to our Maya project.

Year 6 visited St Helen's church this week, we were so proud of their behaviour, well done Year 6! They have also been applying what they learned during the visit to their RE learning.

EYFS Musical

After lots of hard work and getting in the festive spirit, our EYFS children have thoroughly enjoyed learning about the Christmas Story and performing their nativity - Shine Star Shine. The children have been so brave learning new songs and standing in front of an audience. Well done to all!

Rock & Pop Band Lessons

Would your child like to have rock & pop band lessons? They can learn to play drums, guitar, bass, keyboard or vocals via Rocksteady Musical School. Please see information attached.

Tree-mendous!

Over the past three years, the Gardening Club has been supporting a local community initiative called Canopy2050, which aims to increase the number of trees in Broxtowe. Our children have been regularly sowing tree seeds and nurturing them into healthy young saplings.

This weekend, Mrs Collinson proudly handed over the very first batch of 30 saplings to the project, and they were planted at Bramcote Hills Park, very close to the bottom left hand end of the Bramcote leisure centre car park. The Canopy2050 team wanted to pass on their thanks to all the children. They thought they did an absolutely fantastic job! A wonderful milestone—after all, from small acorns, mighty oaks grow!
