Highlights of the Weeks

EYFS - the traditional tale we have been learning has been 'The Gingerbread Man'. We have loved reading the book and watching the BBC's Philharmonic Orchestra perform it. We have loved singing along 'Run! Run! As fast as you can! You can't catch me, I'm the Gingerbread Man!'.

Year 1 have been locating England on a map and identifying key characteristics.

Year 2 have been writing diaries about a day in the life of Florence Nightingale.

Year 3 have been creating a human pictogram to represent our favourite colours, helping us to understand keys and scales in a fun and interactive way.

Year 4 children have worked incredibly hard on converting measurements in maths - we are super proud of their efforts!

Year 5 conducted a science experiment this week in which they investigated whether mass affects how long it takes for different objects to fall to the ground.

Year 6 have been sports coaches this week, filming their javelin throws and coaching one another in groups to develop their technique.

Community Kindness

Our EYFS children were really excited to welcome a special visitor this week. Clare from Tesco in Toton brought us all the ingredients to make Gingerbread.

The children loved getting to mix, stir, squish and bake them. They then got to decorate and eat what they had made. What an exciting day it was!

A huge Thank you to Tesco Toton for helping with the making and for providing all the ingredients - you are amazing.

EYFS & Year 6 Photos

Kind reminder:

Monday (27th April) is EYFS Graduation and Year 6 Leavers photo day 😊

Special Visitors

We want to say a massive thank you to all our parents and carers for your support in completing the "Parent View for Ofsted" and speaking so kindly to the inspectors about our school. Meeting our children was their highlight – the children spoke to them confidently about Fairfield and showed our new SPARK values.
