

Welcome to Year 2

Our topic this half term will be... **Heroes**

Science

Animal Habitats (including micro habitats)

Ocean

Woodland

Micro-habitat

Desert

Animals and plants can live in different habitats. The habitat they live in needs to meet their basic needs.

Polar

Word	Definition	Symbols
habitat	The natural home or environment of an animal or plant.	
micro - habitat	A small-scale habitat which supports the survival of certain animals or plants. <i>E.g. a rotting log/a stone</i>	
adaptation	The process by which a living thing becomes fitted to its environment.	
environment	The surroundings or conditions in which a person, animal, or plant lives or operates.	

Design & Technology

We will be making a moving monster!

Word	Definition
levers	A lever is a simple machine which helps us to lift objects. It has a long arm and a fulcrum, which is where the arm pivots.
linkages	A linkage is a mechanism which is made by connecting levers together.
pivots	To rotate, swing, or move back and forth on or as if on a pivot.
mechanism	A mechanism is a set of moving parts that work together to make something happen.

Florence Nightingale

In history lessons we will be learning about the life and work of Florence Nightingale and her connections to Derbyshire.

History

Words	Definition
ward	A large room in a hospital with room for several beds.
infection	When germs get inside your body.
Crimean War	The Crimean War (1854-56) was fought by an alliance of Britain, France, Turkey and Sardinia against Russia.
military	A country's armed forces.

Learning Destination

To step back in time and create a movie about Florence Nightingale.

Enrichment Opportunities

We will be taking part in a Florence Nightingale Movie Making Workshop and will invite you to watch our film.

- We will be using Now Press Play for a Florence Nightingale Experience.
- We will be making moving monsters in DT.

An exciting term ahead!
