Highlights of the Weeks

EYFS – Tesco kindly visited EYFS this week to plant beans with the children. They then practiced their fine motor skills by colouring and writing their names on a castle to put on their potted beans, like in the story Jack and the Beanstalk.

Year 1 have been recognising and using coins and notes in Maths. We are ready to hit the shops!

Year 2 have been acting out the life of Florence Nightingale through a Now Press Play immersive experience!

Year 3 have been debating like the Ancient Athenians! We voted on fun ideas such as extra playtime, going home early, a festival or a sports day. The children shared their ideas confidently and enjoyed making their voices heard.

Year 4 have started learning about the three main types of teeth and their functions - many interesting dental stories were shared!

Year 5 have been exploring the features of a balanced argument in preparation of writing their own about how the Victorian era has impacted our lives today.

Year 6 have been creating their own routines in Drumba that link to the song for our new school values.

EYFS / Year 6 photos

The EYFS leavers and Year 6 graduation photos have been sent home this week. The deadline for orders being sent into school is Monday 18th May. Any orders after this date will need to be placed directly with Academy Photography online <https://www.academyphotos.co.uk/online-ordering>

Dentist Visit

The paediatric dental screening programme have advised us that they have liaised with a local dental practice who are able to accommodate some children as new NHS patients. If you have not been able to register your child at a local dental practice, please see the information below.

Book an oral health check for your child today
