Highlights of the Week

EYFS – have been enjoying learning about the rainforest. We have been looking at different emotions and how different animals might be feeling.

In Maths we have started learning the teen numbers and understanding these are a ten and some ones. We have enjoyed seeing these in lots of different ways.

Year 1 - have been learning how to sing an orchestral song, "In the Sea" in music. We love singing and creating different dynamics with our voices!

Year 2 - enjoyed toasting marshmallows around a fire in our Foragers session with Miss Morrell!

Year 3 – have been developing our clay-modelling skills by practising techniques such as scoring, slipping and blending, drawing inspiration from the vibrant work of Jen Stark and Greek artist Sosus.

Year 4 – have been to Kedleston Hall to use their geography fieldwork skills, measuring wind!

Year 5 - stepped out of their comfort zone and performed their space-themed poetry to their peers!

Year 6 - have been considering reasons for migration in geography, including pull and push factors behind why people migrate.

Government Summer Savings

The Great British Summer Savings is a new measure brought in by the Government to reduce the cost of days out, travel and getting around for families with children. Please click on the link below for more information.

Cheerleading across the world

A BIG Fairfield well done to Esther in Year 6. Esther is in two cheerleading teams, an under 14 level 1 and an under 14 level 2. Both teams competed at a national championship this weekend and both teams got 1st place for their level!

The competition then can award 2 bids (across the entire competition) for 2 teams to compete at the All-Star World Championships in Florida in April.

The bids were awarded to Esther's two teams! Florida here she comes 🏆

We look forward to hearing how she gets on.
