Highlights of the Week

EYFS – have been reading the book 'Super Duper You' by Sophy Henn. We have talked about what makes us 'Unique and Special'. We have also been learning all about the Numberblocks and looked at a Numberblock 1.

Year 1 – have been exploring the changes that autumn brings. We have enjoyed talking about how the weather changes, what happens to the trees and leaves, and how we begin to notice that it gets darker much earlier in the evening.

Year 2 – have been learning about the different oceans around the world and discovering where they are located.

Year 3 – have been learning how to count to 20 in French.

Year 4 – have been learning how to 'round' in Maths - using the song 'We will, we will round you. We will, we will round you. 4 or less - let it rest, 5 or more - raise the score'. This has helped them to round numbers to the nearest 1000, 100 and 10.

Year 5 – have been developing their knowledge and skills within addition as they have been adding numbers up to 1,000,000!

Year 6 – have made prototypes of their playgrounds in preparation of creating our final designs next week!

A polite reminder about parking

We completely understand that parking can be difficult during busy drop-off and pick-up times, and we really appreciate everyone's patience and consideration.

We would just like to kindly remind all parents and carers to take extra care when parking around the school and to be mindful of our neighbours and pedestrians. We have recently received a number of concerns from local residents regarding vehicles parking on double yellow lines and on pavements, which can make it difficult for pedestrians to pass safely.

We have also noticed that, on occasion, cars have been parked in front of the closed gates to our car park. This area is not suitable for parking and needs to remain clear so that families, particularly those with prams or young children, can access the gate safely without having to step into the road. Thank you, as always, for your understanding, cooperation and for helping us to keep the area around school safe and accessible for everyone.

Try a dinner Day

On Thursday 1st October, all children in EYFS & KS1 will be offered a cooked school dinner. If you feel your child will definitely not like Thursdays option please feel free to send them with a packed lunch as back up.
